...but on Sunday (<https://www.livejournal.com/away?to=http%3A//kerrvillefolkfestival.com/newfolk.htm>) there's a really good chance I'm going to be listening to [this person](https://www.livejournal.com/away?to=http%3A//profile.myspace.com/index.cfm%3Ffuseaction%3Duser.viewprofile%26friendid%3D83791819) (<https://www.livejournal.com/away?to=http%3A//profile.myspace.com/index.cfm%3Ffuseaction%3Duser.viewprofile%26friendid%3D83791819>) playing the first song on the player on that page.

If we all agree that it's tomorrow already, doesn't that make it true? C'mon! Let's try it!

Hey there. Sorry about the drama. It was... it was an emotional decision, and I didn't

Aw, man! We almost hosted a house concert for Lojo a few years back -- she had to cancel her tour at the last minute because of some sort of family trouble. Though I mostly know her for her work with those nifty Minneapolis bands, and that lovely cover of "Northwest Passage" she did. (The later of which I only heard because the best man at my wedding was a former co-worker of hers and picked up one of her CDs as a result.)
